HIGHLIGHT
THE CONGREGATIONAL UNITED CHURCH OF CHRIST

August 2, 2018 • Issue 7

U-Pic Sunday, August 19

You are invited to shape the service on Sunday, August 19.

The sermon topic will be chosen through an online survey sent out to all e-mail addresses in the church's database, offering nine options that range from the question of undeserved suffering, to the disciplines of stewardship, to our congregation's membership in the United Church of Christ. Whether or not you have voted in the survey, you are invited to actively participate in the "sermon" that day by asking questions in the conversation that will immediately follow Pastor Dave's prepared remarks.

Also, you get to pick the prelude on August 19. Beginning at 9:20 a.m. Chris and Carol will lead a hymn-sing during which you can request your favorites.

The top runners-up among sermon topics, and requested hymns that we aren't able to get to on August 19 will be held for consideration in the development of future worship services.

Fall Sermon Series

Building from last year's series of worship services and sermons on the formation of Israel, pastors Dave and Josh are leading, this fall, ten Sundays focused on the formation of the Church. Beginning August 26 and continuing through October 28, we'll take a close look at the Biblical account of Christianity's amazing growth and expansion, from Jerusalem to Rome, considering how the struggles and successes of the early Church inspire our faith and inform our mission today.

Pop Tabs for Ronald McDonald House

Many, many thanks for all those tabs that keep appearing in my mailbox or in that little green bag on the hutch outside the church office. I even found a huge bag of them on the little table outside my front door. Such a simple way to help out families who have an ill child at Central DuPage Hospital. Families can stay at the RMH for a small fee or gratis while their child is hospitalized. What a blessing! Again, this project continues on until infinity, and beyond. Truthfully, gathering these little tabs is addicting. I find myself picking them up off the sidewalk or anywhere else I find them. I just can't let them be thrown in the garbage when they can be of so much help. Thank you, thank you, thank you! -Pat Kitner, St. Charles Golden K Kiwanis Club

This tradition is the morning of the CUCC Fall Fest and takes place on the beautiful trails of the Fox Mill neighborhood. The annual race is benefitting the Northwestern Brain Tumor Institute and is a nice way to earn all that brisket and beans later that evening at the annual Fall Fest! There will be a 5K race that starts at 8am that is \$40 and includes a performance tee. There is also a 1 Mile Color Run at 9:30am that is a super family friendly option that is \$20 per registrant and includes a tee and sunglasses. The race this year is honoring Mike White, a Fox Mill resident, that is battling grade 4 brain cancer and is working with Northwestern Medicine to fight his disease. Come join many CUCC members and local neighbors in this fun event and please spread the word about the 7th annual Fox Mill 5k!

More information can be found on foxmill5k.com. Any questions can also be directed to Kelly Cameron at kellyacameron@yahoo.com

September 14th: FURY FROM THE TOMB

by SA Sidor; discussion at the home of Josephine and Peter Ball

Saqqara, Egypt, 1888, and in the booby-trapped tomb of an ancient sorcerer, Rom, a young Egyptologist, makes the discovery of a lifetime: five coffins and an eerie, oversized sarcophagus. But the expedition seems cursed, for after unearthing the mummies, all but Rom die horribly. He faithfully returns to America with his disturbing cargo, continuing by train to Los Angeles, home of his reclusive sponsor. When the train is hijacked by murderous banditos in the Arizona desert, who steal the mummies and flee over the border, Rom – with his benefactor's rebellious daughter, an orphaned Chinese busboy, and a cold-blooded gunslinger – must ride into Mexico to bring the malevolent mummies back. If only mummies were their biggest problem... "*Fury From the Tomb* is a fun, dark fantasy that feels a bit like *Indiana Jones and the Temple of Doom*. With creepy mummies, claustrophobic tombs, ghouls, and vampires – this story doesn't lack for danger and suspense. It's action-packed excitement from beginning to end... I thoroughly enjoyed this start to a new series. And I look forward to more of Rom's adventures." – SciFi Chick.

November 16th: WE ARE ALL COMPLETELY

BESIDE OURSELVES by Karen Joy Fowler; discussion at the home of Mila and Mark Englert

The *New York Times* bestselling author of *The Jane Austen Book Club* introduces a middle-class American family, ordinary in every way but one... Meet the Cooke family: Mother and Dad, brother Lowell, sister Fern, and Rosemary, who begins her story in the middle. She has her reasons. "I was raised with a chimpanzee," she explains. "I tell you Fern was a chimp and already you aren't thinking of her as my sister. But until Fern's expulsion...she was my twin, my fun house mirror, my whirlwind other half and I loved her as a sister." As a child, Rosemary never stopped talking. Then, something happened, and Rosemary wrapped herself in silence. In *We Are All Completely Beside Ourselves*, Karen Joy Fowler weaves her most accomplished work to date—a tale of loving but fallible people whose well intentioned actions lead to heartbreaking consequences.

January 25th: DOUBLE INDEMNITY by James M. Cain;

discussion at the home of Janet Zohorsky

James M. Cain, virtuoso of the roman noir, gives us a tautly narrated and excruciatingly suspenseful story in *Double Indemnity*, an X-ray view of guilt, of duplicity, and of the kind of obsessive, loveless love that devastates everything it touches. Walter Huff was an insurance salesman with an unfailing instinct for clients who might be in trouble, and his instinct led him to Phyllis Nirdlinger. Phyllis wanted to buy an accident policy on her husband. Then she wanted her husband to have an accident. Walter wanted Phyllis. To get her, he would arrange the perfect murder and betray everything he had ever lived for. Adapted into the 1944 classic film noir directed by Billy Wilder, starring Fred MacMurray and Barbara Stanwick.

March 8: LITTLE FIRES EVERYWHERE by Celeste Ng;

discussion at the home of Trish and JT Thompson

The runaway *New York Times* bestseller from the best-selling author of *Everything I Never Told You*, a riveting novel that traces the intertwined fates of the picture-perfect Richardson family and the enigmatic mother and daughter who upend their lives. In Shaker Heights, a placid, progressive suburb of Cleveland, everything is planned – from the layout of the winding roads, to the colors of the houses, to the successful lives its residents will go on to lead. And no one embodies this spirit more than Elena Richardson, whose guiding principle is playing by the rules. Enter Mia Warren – an enigmatic artist and single mother – who arrives in this idyllic bubble with her teenaged daughter Pearl, and rents a house from the Richardsons. But Mia carries with her a mysterious past and a disregard for the status quo that threatens to upend this carefully ordered community. When old family friends of the Richardsons attempt to adopt a Chinese-American baby, a custody battle erupts that dramatically divides the town—and puts Mia and Elena on opposing sides. Suspicious of Mia and her motives, Elena is determined to uncover the secrets in Mia's past. But her obsession will come at unexpected and devastating costs. *Little Fires Everywhere* explores the weight of secrets, the nature of art and identity, and the ferocious pull of motherhood – and the danger of believing that following the rules can avert disaster.

May 17th: LESS by Andrew Sean Greer; discussion at the home of Donna and Tony Giamberdino

What would possibly go wrong? Arthur Less will almost fall in love in Paris, almost fall to his death in Berlin, barely escape to a Moroccan ski chalet from a Saharan sandstorm, accidentally book himself as the (only) writer-in-residence at a Christian Retreat Center in Southern India, and encounter, on a desert island in the Arabian Sea, the last person on Earth he wants to face. Somewhere in there: he will turn fifty. Through it all, there is his first love. And there is his last. Because, despite all these mishaps, missteps, misunderstandings and mistakes, *Less* is, above all, a love story. A scintillating satire of the American abroad, a rumination on time and the human heart, a bittersweet romance of chances lost, by an author *The New York Times* has hailed as "inspired, lyrical," "elegiac," "ingenious," as well as "too sappy by half," *Less* shows a writer at the peak of his talents raising the curtain on our shared human comedy. **WINNER OF THE PULITZER PRIZE**

Runner-up novels in the book club voting: **THE ALICE NETWORK** by Kate Quinn and **THE WOMEN IN THE CASTLE** by Jessica Shattuck

UCC Treasurers Mid- Year Report

Snapshot of financial performance through June 30, 2018

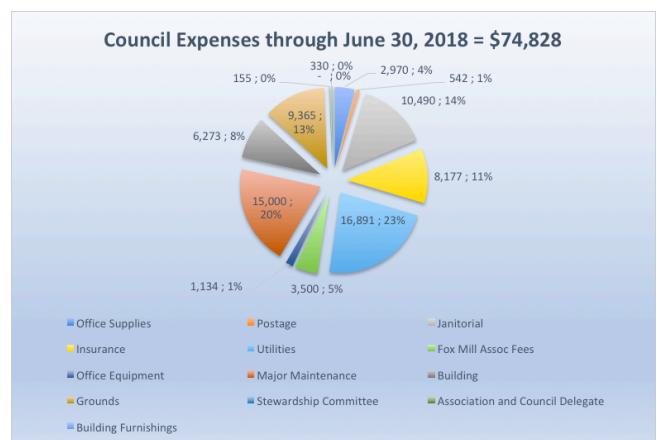

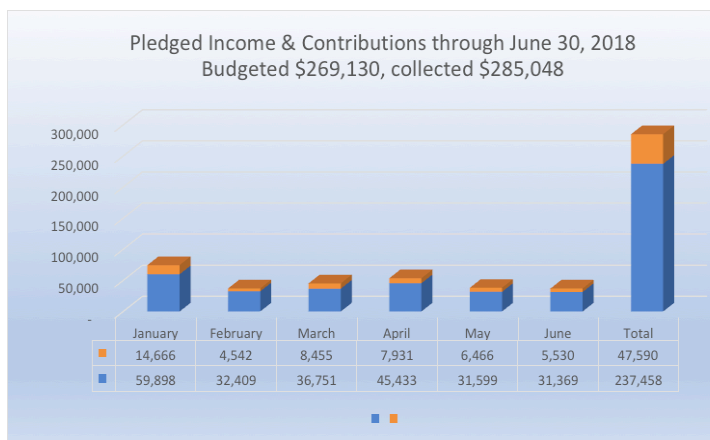

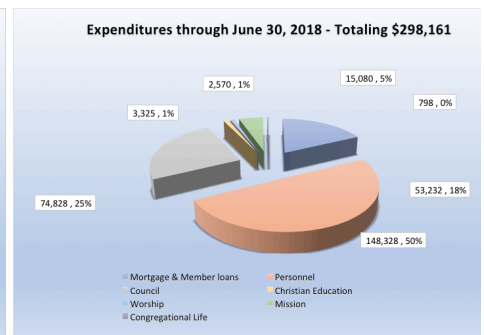

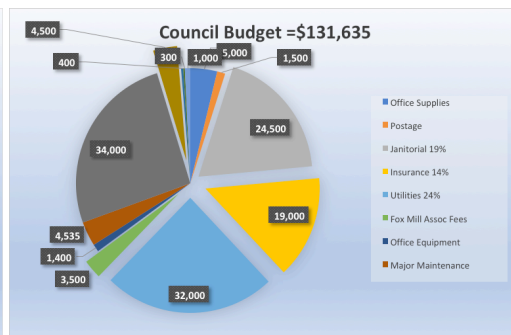

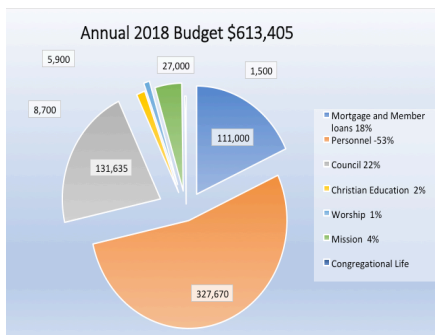

The information presented below is to provide the CUCC members a financial update at the midpoint of our budget year. I will publish another update after the third quarter ending September 30, 2018. If any member has questions about any of the information presented below, please reach out to me and I will try to answer your questions. The best way to reach me is by leaving a note with the Church office with your contact information.

Below is an overview of the financial charts shown below through June 30, 2018:

- The Church received approximately \$237,500 of Pledged Income, \$47,500 of contributions and \$14,700 of other revenue from facility usage, preschool and interest for a total revenue of \$298,700. This is 51% of the \$584,204 total revenue budgeted for 2018.
- The expenditures incurred through June 30 are \$298,161, or 48.6% of the total budgeted of \$613,405.
- Pledged income is 77.5% of our total budgeted revenue. Contributions are budgeted at 15% of our total budgeted revenue. Contributions consist of un-pledged member and non-member donations. There are approximately 168 members in 2018 that made pledges and additional 25 members that did not pledge but give monthly.
- The council budget is the most uncertain of the budgets incurred. You will note 90% of the council budget relates to the building and its usage. The building maintenance and repairs lines are anticipated to exceed their respective budgets, due to unforeseen snowplowing, parking lot repairs, lighting upgrades and tree maintenance. Each year, this budgeted expense is becoming more challenging to predict due to the age of our building.

Below are five charts showing the following:

- The annual budget for 2018
- Pledged income and contributions through June 30, 2018
- Total expenditures through June 30, 2018
- Council budget for 2018
- Council expenditures incurred through June 30, 2018
